Dear Sam,

I wanted to let you know that we saw you play in the ISHA State Championships, and we were impressed.

So impressed, that I'm writing this letter to you so you'll know - without any doubt - that as of today you are officially being recruited by Wichita State University.

(At this point, most basketball coaches you're hearing from probably break into a long list of why their university is amazing and throw a lot of bullet points and statistics at you to try to "sell" you on their program right away).

We're not going to do that to you.

We take a more personalized, one-on-one approach for our top D1 recruits like you, Sam.

Don't get me wrong; there's a lot to sell you on. And I'm sure over time, my staff and I will get the chance to talk to you about it all. But for right now, here's what I need from you so we can take the next step:

I'm including a quick questionnaire for you to fill out (it should only take 5-10 minutes). Once I get it back, you'll be hearing from us right way because we're sketching out a plan I'd like to talk to you about.

By the way, you can also call Dana Eikenberg at 316-978-5540 or email her at deikenberg@goshockers.com if you want to jump straight to the front line...the girls we hear back from by phone or by email are usually the ones that get our attention the fastest (not a bad thing when you're looking for a D1 basketball offer to consider).

We look forward to sharing our family with yours, Sam...get back to us by the end of next week if you can!
